

Introducing the MEPA Connect Hub

MEPA (Managing Emergencies in Paediatric Anaesthesia)

A proposed central platform to connect, collaborate and support MEPA education across Australia, New Zealand and beyond.

*Better

Futures* ♥

Our Vision

To build a collaborative community that advances MEPA (Managing Emergencies in Paediatric Anaesthesia) education through shared resources, high-quality curriculum development and accessible training opportunities.

Our Goal

To explore the development of the MEPA Connect Hub and determine the need, key features and opportunities for collaboration to improve paediatric anaesthesia simulation education across Australia, New Zealand and beyond.

A stronger community for safer paediatric anaesthesia care.

What could the MEPA Connect Hub offer?

One platform. Many opportunities.

Simulation Library

SHARE. LEARN. IMPROVE.

- ✓ Share and access peer-reviewed scenarios
- ✓ Facilitator guides and run sheets
- ✓ Learning objectives and debriefing resources
- ✓ Equipment requirements

Faculty Collaboration

A COMMUNITY OF EDUCATORS

- ✓ Connect with MEPA faculty across centres
- ✓ Share expertise and experiences
- ✓ Collaborate on new scenarios
- ✓ Maintain quality and consistency

Mobile MEPA Service

BRING MEPA TO YOUR HOSPITAL

- ✓ A network of experienced faculty to deliver MEPA courses at your institution
- ✓ Support with course planning and logistics
- ✓ Options for basic to complex scenarios

Courses and Events

FIND. ADVERTISE. PARTICIPATE.

- ✓ National and international course calendar
- ✓ Advertise upcoming MEPA courses
- ✓ Information on faculty development workshops and related events
- ✓ Stay up to date with opportunities to get involved

Curriculum Development

BUILDING ON EVIDENCE TOGETHER

- ✓ Submit and review new scenarios
- ✓ Collaborative development across centres
- ✓ Standardised templates and review processes
- ✓ Ensure high-quality, evidence-based content

Faculty Development

SUPPORTING GREAT TEACHING

- ✓ Resources on simulation facilitation and debriefing
- ✓ Tips, tools and best practice
- ✓ Opportunities for facilitator training
- ✓ Support for new and experienced educators

We need your input! 💡

We are in the planning stages of the MEPA Connect Hub and would love your input to help shape this initiative.
